Teaching All Students
Reaching All Learners:
Innovative Ways to Address Disability and Other Forms of Diversity in the Postsecondary Classroom

When & Where:
March 14, 2007
Post Pacific Rim Conference on Disabilities
Sheraton Waikiki, Honolulu, Hawai`i
From: 9:00 am to 4:00 pm

Purpose:
Working together to build effective professional development models that increase awareness, ability, and skills of postsecondary education faculty and staff, for teaching diverse students.

Who should attend:
Persons associated with postsecondary education including postsecondary education faculty, disability support personnel, high school personnel, administrators, persons with disabilities, and family members of persons with disabilities.

Format:
This is a wonderful opportunity for researchers and practitioners to share their expertise and experiences, in large and small group settings. Representatives will be present from national, local (Hawai`i), and Pacific Region areas.

To Register:
Participants must be registered.
To register by mail please contact Velina Sugiyama
Center on Disability Studies
1776 University Avenue, UA4-6
Honolulu, HI 96822.
